

APRON FEEDERS

Apron Feeders

INNOVATIVE PROCESSING SOLUTIONS Apron Feeders are the right solution for your heavy-duty material metering application.

- Deep pans handle almost any bulk material.
- Slave driven dribble belts prevent spillage without the requirement of additional motors.
- Each chain roller is individually greasable.

FEEDER WITH HOPPER

- Each conveyor flight pan is replaceable without breaking the chain.
- Frames are of heavy duty construction with I-beam rails under the full width of the conveyor surface.
- Feeders with integral hopper assemblies available.
- Slide gates for bed depth control.

APPLICATIONS

Clay	Rock	Shale
Waste	Grog	Concrete
Aggregate	Slag	

And other similar materials
